First. Declaration of Abandonment for the South East ¼ of 4-21-9 W. 4, whereby Theodore T. Lavold of Websdale Post Office Alberta, abandons his preemption.

Second. Declaration of Abandonment for the North ½ of the North East ¼ of 33-20-9 W. 4, being the preemption of Gustave Maxie of Websdale Post Office, Alberta.

The above lands are required by the Canadian Pacific Railway Company for townsite purposes at the ninth siding West of the the South Saskatchewan River, on the Swift Current Bassano Line.

You will remember, when I was in Ottawa, discussing with you, the fact, that on some occasions our line cut the quarter-sections in such a way that one hundred and sixty acres would not be sufficient property for us at such points. This is such a case and I enclose you a sketch showing how our line cuts the land. This is the first time I have departed from the Government's ruling of one hundred and sixty acres of land for townsite purposes at a point other than a divisional point, and I would ask you to give this matter your very favourable consideration and recommend the approval of our purchase.

I am sending the Declarations and papers straight to you in order that there may be fewer chances for complications. I would also point out to you that on the West ½ of the land we ask for there is a long low depression which land cannot be used by us, and you will therefore see that all the land we really can use at this point amounts to very little more than the one hundred and sixty acres the Government allows us.

I would also add that when we take a strip of two hundred and fifty feet for Right of Way off the North side of the Line and provide for road diversions, we will not be very far ahead.

With all these facts I now ask your favourable consideration, and would ask you to notify me as soon as possible.

Yours very truly,

Dear Mr. Duff,

Re N.½ of N.E.¼ 33-20-9-W.4th.
S.E.¼-4-21- 9-W.4th.

Replying to your letter of the 25th ultimo with which was enclosed abandonments from the entrants of the above lands in order that the Canadian Pacific Railway Company might secure them for townsite purposes, I beg to say that from the plan which was also enclosed with your letter, it would appear that the station and sidings are located in the N.½ of section 33.

In view of this fact the information furnished by the Company is not considered sufficient to warrant the Department in selling more than 160 acres at this point for townsite purposes.

On receipt of further information the Company's application will be further considered.

Yours very truly,

SOLDIER LOAN.

Edmonton, Alberta.
Dec. 4. 21.

Dear Sir,

In your letter of Sept. 1. in re to my application for patent for the south east quarter of Section 2 - I forward by post 3 P.M. 4 did not know it was necessary for me to reside on the S.E. 1/4 same time.

I left this farm in 1914 on. move into Edmonton, there was at that time a mortgage against it, the understanding was that if I held up this mortgage I could have the farm, I paid it off in 1920, it will pair up a couple. As my return, myself and other two brothers have been working more or less together all the time, the title to this land was never transferred my name.

I have lived on this SE, 14, since April 1910, except from Sept 1914 to Jan 1919, when I was overseas with the C.E.F.

I don't see why my residence on this SE 14 should not count, I have lived here all the time and farmed the land, and an interest in it, If this is not good enough please advise me what will be necessary to do.

Yours truly,

Stanislas Lavereux.

Sir,

Re N.½ 18-20-9-W. 4th M.

I beg to inform you that Mr. John Craig, Jr., of Jenner, Alberta, advises that liens for $225.00, $102.00 and $40.00, respectively, wrongfully cloud the title to the above described land, and to say the records here show that these liens were given by John Craig, Sr., in connection with the S.½ 18-20-9-W. 4th M., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the said the N.½ 18-20-9-W. 4th M., the liens in question for $225.00, $102.00 and $40.00, respectively, registered against it in error.

A copy of this letter is being sent to Mr. John Craig, Jr., for his information.

Kindly advise me of the action you may take in this matter.

Dear Sir:- My husband, a disabled veteran of your army in World War I was given a land-grant in your Province in 1916 or 1917

I have not been able to find any papers after his death. Can your office tell me if, and where, it would be registered? It is my understanding that it was a Dominion and not a Provincial grant but I maybe in error in this.

We went almost out to it in 1920 but it was 80 miles from the railroad and we turned back in the face of inclement weather. I only remember it was north of Edmonton.

I remember my husband saying that he did not have "to move up" as he was over three years overseas if that is a clue.

I expect to visit your city this summer, in any case, and would greatly appreciate any help your office can give me.

Yours sincerely

I beg to acknowledge the receipt of your letter of the 10th ultimo, requesting an extension of time on your Certificate of Recommendation.

In reply, I am to draw your attention to the fact that when provision was made for the issue of Certificate of Recommendation, it was on the assumption that the pre-emptor would arrange to mortgage or assign his interest in the land, in order to immediately complete his payments to the Department and it was not contemplated that the issue of such Certificate would merely be regarded as an extension of time for a given period within which to complete payment.

I am therefore, to request you to kindly advise the Department by return mail if it is your intention to mortgage the land, in order to complete your payments to the Department, or whether you merely require an extension of time in which to complete your payments.

I beg to acknowledge the receipt of your letter of the 11th instant, in reference to a Certificate of Recommendation issued to you in connection with your pre-emption, the land above described and in reply, I am to advise you that on the 4th October last you were granted an extension of time to the 1st November, 1921, in which to complete your payments. This was not an extension of time on your Certificate of recommendation, but merely an extension of time in which to complete your payments and did not grant you authority to mortgage or assign your interest in the land.

In your communication of the 26th October last, you stated that your Certificate of Recommendation had not been returned to you and expressed a wish to have it returned.

I am enclosing you herewith form 59 and 329. On form 59, you should set forth that you have been residing on and farming the land, if such is the case, and that you have honestly endeavoured to raise the money necessary to discharge your indebtedness to the Crown. Form 329, should be executed if you have not recently applied for or received relief from the Municipal or Provincial authorities.

These declarations should be executed before a Justice of the Peace or a Commissioner.

In case you may have applied for or received relief as above set forth, you should state where, when and to whom such application was made and the amount of relief received for the year 1921.

Payment should be made at this office and when made by cheque, such cheque should be first accepted by the Bank and made payable at par. The necessary tax stamp must be affixed to all cheques

the land in his favour. Mr. Setterland will then require to furnish this Department with satisfactory evidence as soon as possible in the shape of [illegible] of Title that he has been divested of all interest in his patented homestead and any other land holdings (excepting town property) which he may have in the said "Dry Area". Upon his furnishing this evidence he will then be given permission to again appear before the Agent and make formal application for entry for the land selected.

Mr. Setterland will also require to voluntarily relinquish to the Department his unpatented pre-emption before he is given permission to make his application for new homestead entry.

Should Mr. Setterland secure another homestead he would require to perform all the ordinary homestead settlement duties in order to obtain patent, also any seed grain or relief indebtedness to this Department would have to be transferred to the new location.

It would appear from your letter that perhaps all Mr. Setterland wants is assistance in transportation of himself, family and effects to the District of Sedona where his cousin is living. In this regard I might say that the question of transportation is one which is dealt with entirely by the Provincial Authorities and he should write to the Deputy Minister of Agriculture at Edmonton in the matter.

John Setterlund.

I beg to inform you that your letter of the 8th instant on behalf of Mr. Setterlund addressed to the Deputy Minister of Agriculture has been referred to this Department for action.

The privilege of a second free homestead is extended to those settlers only who completed all the duties on their first homesteads prior to the 2nd June, 1908. The only exception is in favour of those settlers who took up homesteads in what is known as the "Dry Area" in Southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 21 in the old pre-emption and purchased homestead tract. This exception is provided for under the 1918 amendment to the Dominion Lands Act, the main points of which are explained on page 8 of the enclosed "Hand-book".

If Mr. John Setterlund wishes to secure the benefits of the amendment he should first of all communicate with the Provincial authorities at Edmonton, giving them full particulars as before his case could be considered by this Department he will require to obtain a certificate of approval from the Province. He should address his letter to the Deputy Minister of Agriculture, Edmonton, Alberta.

In the event of his being successful in securing a Certificate of Approval he may then select some vacant and available quarter-section outside the specified boundaries of the "Dry Area" and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for him. If the Agent is aware of no reason to the contrary he will reserve the land.....

Memorandum:

Mr. Powell in his memorandum below makes the suggestion that in every case the applicant for entry for land upon which there are improvements shall be required to pay, when making entry, 50% of the former entrant's valuation of such improvements.

I submit this suggestion for your consideration as there is no doubt that in some cases unscrupulous applicants for entry declare that there are no improvements and secure entry without making any payment. In such a case, however our regulations provide for the cancellation of the entry for failure to state improvements.

In the present case, in view of the attitude taken by Mr. Moore, it seems to me his entry should be promptly cancelled notwithstanding the fact that he is on active service. His enlistment may however, entitle him to more lenient treatment on the part of the Department.

As to Mr. Powell's suggestion, I feel that while it might be of benefit in some cases, there are other cases in which it would be the reverse. For instance, supposing "A" abandons an entry and declares that there is on the land a house valued at $200. "B" applies for entry later and in the meantime the house has disappeared. "B" must pay $100 under the proposed plan and the applicant for entry knowing that there is no house on the land will not have provided himself with that sum of money so that he will lose the opportunity of making entry through no fault of his own.

Respectfully submitted,

J.B. Harkin,
Commissioner of Dominion Lands.

I beg to confirm departmental telegram of today's date as follows:-

> "If aware duties on north east seven, fourteen, five, west fourth in default, and entrant has been absent from Military Duty for more than three months, application to cancel land can be accepted supported by declaration establishing duties in default, and entrant not serving on active service."

In connection with an entrant who enlists for active service prior to securing entry for his land, I might point out that the time spent by him on active service and also a period of three months after his discharge, may be counted to his credit as residence duties.

In cases where an entrant may have been discharged or left active service, application for cancellation may be filed by an applicant who is eligible but he is also required to file a declaration in support of his application showing in what manner the duties are in default as well as establishing the fact that the entrant is not on active service. The evidence will then be submitted to the Department and a decision arrived at as to whether cancellation proceedings may be instituted.

11th February, 1922.

Madam,

I am in receipt of your letter of the 30th ultimo, asking for an extension of time to pay for the improvements which were on the North East quarter of Section 7, Township 14, Range 5, West of the 4th Meridian when you obtained homestead entry therefor on the 21st of September, 1917. When making application for entry you declared that there were no improvements on the land, which was not in accordance with the facts. The improvements made by the former entrant were valued by one of our Inspectors at $50.00 on the date on which your application for entry was made. A homestead entry is not confirmed until such time as the improvements have been paid for in full. The evidence at hand does not show that you have gone into actual residence on your homestead or effected any further improvements on the land, and, therefore, the entry is in default.

If you wish to maintain your entry free of cancellation proceedings it will be necessary for you to furnish the Agent of Dominion Lands at Lethbridge with evidence, not later than the 1st of April next, that you are in bona fide residence prepared to proceed with the performance of the settlement duties. Upon the receipt of evidence of good faith your application for an extension of time to pay for the improvements will receive the most favourable consideration possible. Please note that if you are not heard from by the 1st of April the Agent will cause the institution of cancellation proceedings.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2300, hereby recommends that the Joint Relief Liens charged against the N.E.¼, 7-14-8-W. 4th Mer., for advances made to Anna Johnson, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated April 21st, 1932, which report gives full details of all liens registered against the said land and states in support of the recommendations:-

1. That at the time the advances were made the debtor held homestead or pre-emption entry to said land but did not complete her duties and her entry thereto was cancelled and this quarter section is now vacant Crown land.

2. That the land is situate in the Tilley East Area and has practically no value.

3. That under the arrangements made the said land will not be open for re-entry or for sale, but will be held only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

JOINT RELIEF.
TILLEY.

This party obtained the following advance from the Provincial Government as security for which an unpatented land lien was executed affecting the above property:-

TILLEY: Lien #2531 12-4-30 $ 45.15
Interest to 31-3-31 34.66 $ 79.81

Title to this land has never been patented as the debtor moved out of the District very shortly after obtaining this assistance, and title to the land now rests in the Crown in the right of the Province following transfer of the natural resources.

As will be seen this property is situated in the Tilley East Area where land in general, being unsuitable for purposes other than grazing, will not be open for re-entry or sale, and it is therefore not desirable to retain these charges on the Title.

The personal covenant of the debtor is of no value owing to the fact that all trace of her has been lost for a number of years, and there is therefore no good purpose to be served by the retention of this account which I recommend be written off.

Yours truly.

The evidence in answer to question 4 of the applicant's evidence is not understood, as you will observe that it is stated that the applicant resided on this land from April 29th, 1910 to January 25th, 1911, March 25th, 1911 to October 29th, 1912, and August 15th to December 15th, 1912. This latter statement appears to be incorrect, as you will notice that he claims to have completed the second term of residence in October, 1912. A person who is desirous of making entry must visit the land personally before making his application, in order to satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ .....

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the full *amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is stated at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount will be refunded. If an amount has been paid, the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against the land. $ If the amount stated for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

DOMINION LANDS ADMINISTRATION

" Inasmuch as Mr. Collipriest paid the Sheriff the amount of our claim, and the money was paid into him for that specific purpose, we feel that you should not enter any claim to priority, but more particularly in view of the fact that the claim of the Government doesn't affect the land in question.

Apparently he holds the land on which the crop was grown, under lease, and we will be pleased if you will look into the matter and let us hear from you in due course."

The Agent has forwarded the matter to this office for consideration.

I may say that the Departmental claim as established in the 1915 advances holds priority under the Seed Grain Act of that year on the crop grown by the Lienee on the land quoted as security and on any other land.

However, although there is no information on file as to the amount of money in the Sheriff's hands, nevertheless as it was the Lumber Company who effected seizure and as insistence on our claim in full would in all probability absorb all the funds derived therefrom, it would appear the more equitable procedure to offer a division of the seizure funds on a pro rata basis between their claim and that of the Department under the 1915 advances, and I would respectfully suggest that such action be taken.

Memorandum

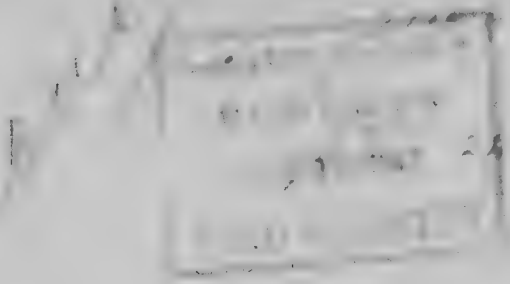
Mr. Perrin

Re - James A. Collipriest.
S.½ 24-15-4-W4M.

The above man is indebted to the Department by way of Seed Grain, Fodder and Relief advances made in the year 1915 approximating with interest the sum of $1300.00. He is also indebted to the Department by way of a Seed Grain advance made to him in the year 1919 approximating with interest the sum of $420.00. On November 18th last the Agent of Dominion Lands at Lethbridge having been advised that the Sheriff of that Judicial District had issued a warrant of seizure on the Lienee's crop grown on Section 12-15-4-West 4th Meridian filed with that official a claim on behalf of the Department in the extent of $1220.99 plus interest at 5% on $770.91 from March 31st, 1927, to date of payment, representing the indebtedness as outstanding on the 1915 advances. He also advised him that this account constituted a prior charge. Under date of the 2nd instant the Sheriff wrote the Revelstoke Sawmill Company, who had instigated the seizure as follows:-

> " Mr. Collipriest called at my office a few days ago and paid in full this claim from the proceeds of the wheat grown and seized on Section 12-15-4-4.
> The Department of the Interior has placed in my hands a claim for $1220.00 for seed grain, fodder and relief advances, claiming priority. Mr. Collipriest states that there is nothing owing on Section 12 to the Dominion Government, which is land he has rented, and that his indebtedness to the Department of the Interior is for advances on the S.½ of 24-15-4-4, and he suggests that you take up the question of priority with the Agent of the Department of the Interior (Land Office), Lethbridge."

and on the 4th instant that Company wrote our Agent of Dominion Lands as follows:-



> " We attach hereto copy of a letter received from the Sheriff at Medicine Hat, and we are therefore writing to you at his suggestion.

The agent of Section lands at Lethbridge has forwarded to this office your communication addressed to him on the 4th ultimo enclosing one to you from the Sheriff at Medicine Hat of the 2nd.

In this connection I beg to verify the information given the agent's letter addressed to you on the 26th ultimo to the effect that the Department of Lands gives this Department priority over all liens, liens or other claims against the land given by the terms of the land contract or any other land so that the Department could if it so desired insist upon payment of the claim in full. However, and without prejudice to that priority as established, I am to advise in view of the fact that this solution was instituted by your enquiry that the Department is willing to accept a division of the funds realized from the seizure and now in the Sheriff's hands on a pro rata basis between your claim and that of the Crown.

I am by copy of this communication advising the Sheriff accordingly and he is requested to hold in suspense payment to the Department pending the agent of Lethbridge being in receipt of a statement showing how the monies were disposed.

Sir, Re N.½ - 13 - 11 - 4 - W. 4th.

With reference to the [illegible] filed by you, I am to say that while it could appear from your statements that your entry may be in good standing as to residence duties you are in default in cultivation. As this statement shows that you have not increased your cultivation since applying for application for patent, however, in view of the residence performed it has been decided to hold over the said proceedings until the 15th July next, to allow you sufficient time within which to bring your entry into good standing as to cultivation and satisfy the agent of Dominion Lands at Medicine Hat in the form of a statutory declaration that you have done so.

Encl.

I am to warn you that should you fail to comply with the above instructions it may be necessary to cancel your entry without further notice.

For your further information I enclose herewith a "Homestead" containing a short summary of the [illegible] homestead regulations.

RE SEED GRAIN

Sir:-

In reply to enquiry regarding seed grain, I have to inform you that it is hoped that settlers will be able to provide themselves with seed this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work, a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders, and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land, and in destitute circumstances, or who has lost his crop lastyear by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acreage already under cultivation, and not more than 180 bushels of grain to any person.

3. All applications, before receiving any consideration from this office, will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was fyled upon by the applicant, is in good standing and patent not issued.

4. Provided seed grain can be purchased locally by applicants, it is not the intention of this Department to ship any seed from outside points. Applicants should give name and address of the party, or parties from whom the seed they require can be purchased, and state the price per bushel, the Department to pay for the seed after the lists and all papers are properly completed and approved.

5. If the applicant receives favourable consideration, an official order will be issued from this office, accompanied by liens. The party to whom this order is made out, will supply to the settler the amount of seed stated thereon, after the lien has been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and the receipt for the grain, together with executed liens in full-- both to be sent immediately to this office. After all papers so completed to be properly completed, a departmental cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. All settlers on patented land must apply to the Secretary-Treasurer of their Municipality.

8. Any applicant securing seed grain from this Department through any misstatement will be severely dealt with.

Enclosed please find application blank.

Sir:-

Re: N.E. 1/4-1-1-4 West 4th.

I beg to advise you that the sub-agent of Dominion Lands at Medicine Hat has forwarded to this office your application for Patent for your homestead above described, executed on the 1 th of January,1922. This application still lacks the evidence of one witness and I would be pleased if you will have one of the neighbors resident in the vicinity of your land appear before the sub-agent and tender their evidence in order that your application may receive further consideration.

As your residence duties have been performed upon the North West quarter of this section, it will be necessary for you to furnish me with evidence of ownership of this land. Re: Account of Alex Coull,
N.E. 13-13-4-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918, 1919, 1920 and 1921, seed grain amounting to $897.10 was advanced to Alex Coull on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 897.10	$ 1885.54	$ 2782.64

The N.E. 13-13-4-W.4th was formerly the homestead entry of the debtor on which security he obtained the seed grain advances. His entry was cancelled on the 29th of October, 1924.

In reply to our questionaire of the 10th of April, 1952, V.A. Wood, Director of Lands, Alberta, advised that the N.E. 13-13-4-W.4th was patented on the 3rd of March, 1939.

There is no record of the liens having ever been registered.

As the liens were never registered against the land and there is no further security it is recommended that the indebtedness be cancelled.

Sir,

Re. N.½ of 32-15-4, W. 4th M.

I beg to acknowledge the receipt of your statement of the 28th of March, last, setting forth the residence and other duties performed in connection with the above land. I am to point out that from your statements it would appear you have completed only two terms of six months residence on your brother-in-law's land, Section 5, Township 16, Range 4, West of the 4th Meridian, that is in the years 1919 and 1920. The residence performed in 1921, from the 17th of March, to the 11th of September, counts only five months and thirteen days and the residence in 1922 only four months and twenty-nine days. When you have completed six months residence during the present year you will be in a position to apply for patent.

When making application for patent it will be necessary for you to furnish proof of ownership by his brother-in-law of the land where you resided and also a Declaration executed by your brother-in-law setting forth what residence he performed on his land during the time claimed by you.

I would point out that the time you were overseas with the Canadian Expeditionary Force does not count to your advantage as you obtained entry after enlistment.

The Tax Consolidation Board, hereby recommends that any liens charged against the N. ½, 32-15-4-W. 4th Mer., for advances made to Robert Wascovitch, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor's only interest in the said land was that of a tenant, and he was not in a position to give proper land security for the said advances

2. That the security was taken by way of chattel mortgage, but when an attempt was made to realise upon such security it was found that it had disappeared and nothing can be realised thereon.

3. That the debtor made a complete failure of his farming operations and returned to Russia in the year 1922, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens charged against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

DOMINION LANDS ADMINISTRATION

30th July, 1931.

re Robert Mascovitch,
N.½ 32-15-4 W.4th Mer.

Sir:

In this case there were certain Joint advances made to the above, which the Adjustment Board of Alberta, in their report dated the 8th May, last, being B.O. No.3423, recommended be unconditionally written off. As the debtor was only a tenant, he was unable to give any land security, and the chattel security has disappeared. Mr. Mascovitch has returned to Russia, so there is no prospect of collection.

P.C.117/1500, dated the 25th ultimo, has now passed, ratifying the recommendation of the Board, and as the liens are not registered, I presume this communication may be accepted as signifying the consent of the Department to the cancellation of the instruments and the closing out of the account, which action has already been taken on our records.

Re: Account of R. Mascovitch
N.W. 32-15-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920, 1921 and 1923 seed grain amounting to $[illegible].50 was advanced to R. Mascovitch on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 542.50	$ 1,195.13	$ 1,737.63

The N.W. 32-15-4-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 7th of December 1926 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 22nd of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote us as follows:

"Kindly be advised that this quarter comprises part of the land held under Grazing Lease No. 32108 by Andrew Stockman of Bowmanton, Alberta, whose lease does not expire until April 1st, 1964.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Sir,

I beg to acknowledge the receipt of your letter of the 16th ultimo in connection with the reservation of the South East ¼ of Section 27, Township 15, Range 4, West of the 4th Meridian, for your son, Howard Frederick Swith in order that he might secure homestead entry therefor when he has attained the age of 18 on the 27th of July next, wherein you state that you are unable to meet the account owing for Seed Grain and Relief or any part thereof, and you wish to know if your son will have the right to file by paying the $10.00 filing fee and the balance before final proof.

Posting of Soldier Settlement Land.

Peterview, Alberta, 14th August 191 9

Notice is hereby given that after the expiration of [illegible] days from the date hereof, that is, on and after the 28th August 191 9 the S½ of Section 27 Township 15 Range 4 West of the 4th Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

On 24 May last above mentioned the privilege of entry either as an ordinary homestead or as a soldier grant is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who is entitled to homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(a) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(b) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(c) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (o) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military forces of Canada during the present War, or who was engaged in active service on behalf of Canada in the naval or military forces of the United Kingdom or of any of the governing Dominions, Colonies, or States, or who, being a British subject, was engaged in such service at the outbreak of the present War, and who has left the said forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in possession, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy) may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $

PAYMENT FOR IMPROVEMENTS.

Before [illegible] receives granted entry for a homestead or a Soldier Grant, he shall declare *what improvements*, if any there are upon the land for which he applies, and pay to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration, his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $2[illegible], the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against the land: $ [illegible]. If the amount collected for improvements is not sufficient to make up this indebtedness the applicant for entry is required to pay the balance so as to make up the full amount [illegible].

I beg to acknowledge receipt of your application for patent for your Soldier Grant entry above described, in which you claim that you have resided on your homestead, the North East quarter of Section 35 in this township from the 5th September, 1919 to the 30th November, 1922. It will be necessary therefore, for you to furnish me with evidence of ownership of this land. This evidence may be submitted either in the form of Duplicate Certificate of Title or Registration Abstract, which latter document may be obtained from the Registrar, Land Titles Office, Calgary, Alta., on payment of the usual fee of $1.05.

Thomas G. Musson, Soldier Grant Entry.

The entrant for above land made application for patent on the 3rd of November, 1922. According to application his residence duties would appear to have been completed by living on his patented homestead the North West quarter of Section 35, Township 15, Range 4, West of the 4th Meridian, but it is questionable if cultivation duties have been all done. He gave the following:

1919 broke 15 acres, cropped 15 acres on soldier grant.
1919 cropped 80 acres on homestead.
1920 cropped 60 acres on homestead, and 15 on soldier grant.
1922 cropped 15 acres on soldier grant, 80 acres on homestead.

When he applied for homestead patent he had only 81 acres broken on that quarter. He has been asked on several occasions to state what years the balance on his homestead was broken, but he has never replied and the last two letters have been returned marked "Unclaimed."

Please send full report stating the amount of breaking on each of the South East quarter of Section 27, and the North West quarter of Section 35, all in Township 15, Range 4, West of the 4th Meridian.

Mr. Hume,

S.E.¼ of 27-15-4, W.4th M.
Soldier Grant,- Thos. G.Musson.
Entry granted,- 5th September, 1919.
Can.Pro.pending.

A Homestead Inspector's report made in October, last, shows no improvements on the above land excepting twelve acres of breaking which has now gone to grass and weeds and that the breaking on his homestead (since cancelled) also has gone to grass and weeds.

The Inspector stated that Mr.Musson had deserted the lands in 1922 and is now residing in Lethbridge.

On receipt of this report the Agent called upon Mr. Musson to state is intentions but apparently no reply was received.

As there had been a loan charged against the land the Soldier Settlement Board was advised but they report that the application for assistance was cancelled and that the land was not required by the Board as security.

Cancellation proceedings were instituted on the 16th of February, last, and the Agent reports no defence.

In view of the above circumstances it is suggested that the entry be cancelled.
